Introduction

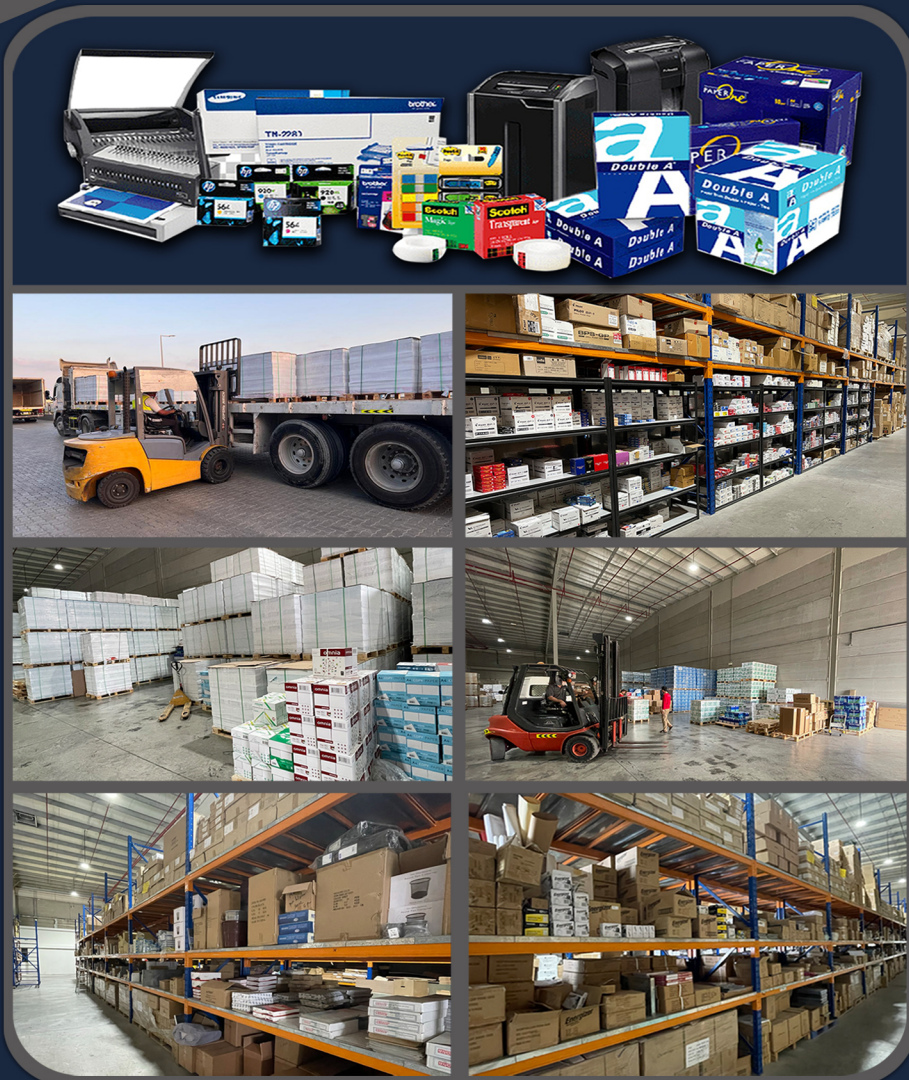

Established in 2010, Pencil Office Supplies is a direct importer, wholesaler, and supplier of a comprehensive range of office supplies, school stationery, office equipments, gifting solutions, ink products, IT services and IT solutions. Pencil was founded with a guiding principle of providing customers with quality products at great prices.

Currently, we cater to over 200 government institutions and more than 3000 large corporates and educational institutions in U.A.E. Our wholesale division caters to a vast network of more than 600 stationeries across the U.A.E. Our team is committed to delivering effective solutions tailored to your specific needs.

Our success is attributed to the strong vendor relationships we have developed, focusing on the highest standards of quality and service expected by our clients. This has enabled us to offer competitive pricing and exceptional service, establishing us as the preferred stationery dealer for a growing number of companies in the region over a short period of time.

We deliver products across all the seven emirates daily using our own fleet of logistics. Pencil also has a dedicated and courteous delivery team to ensure your order reaches you on time. Customer satisfaction is our top priority and everyone at Pencil strives to achieve that goal in every way.
